0 comments: Designer's Guide to the new 2014 CATIA V5 software New CATIA has already been revealed but I thought it could be useful to give you guys a little glimpse on the new features that are coming with the next software. Not only more tools but also more parameters, event and activity manager,... and new modeling tools too! So if you are into drafting you may want to pay attention. Josh was ahead of the other drivers with his final drive, so when the lights went out he had a huge jump on his opponents. He had some time to think and strategize and put his body into it for the next lap. Josh was able to get back by not only the rest of the field but most importantly his teammates. Through his consistent run the other drivers had to constantly move aside to give him the straight lane, so at the end of the race it really came down to how good he was. "I'm happy that we finished it today," said Josh. "I think that we gave it our best. I'm not gonna lie, the entire team was pushing. They were kind of fighting for us out there. We're really

happy with the race we had today. I think that at the end, I kind of had the last spot. "I'm really happy that our guys gave us a great effort. In the end, I just pulled it off. I pulled it off I guess. So, we're happy." Hamilton's seventh championship, his third, was certainly a well deserved title. "I guess it's not rocket science, it's the hardest job," said Hamilton. "And it's been my dream and my goal to be a Formula One driver and to be a world champion. And to be honest, I' 82157476af
